

General information

RevNGo.com is part of the SZALLAS GROUP. Szallas Group is the **market leading multi-product online travel platform in the CEE region**. We have online travel products in Hungary, the Czech Republic, Romania and Poland. We have **more than 80 thousand Hungarian, Croatian, Romanian, Slovakian, Czech, Polish and Austrian accommodation provider** partners. With the 12 online travel products and a team of more than 350 top-of-their-game employees our goal is to provide the smoothest domestic and cross-country reservation experience to the 85 million citizens of Central Eastern Europe.

Croatian market

We have started to build our accommodation portfolio in 2016 in Croatia. **We can serve our CEE guests** with a rapidly growing number of own, partially exclusive accommodation partners and accommodations through multiple local aggregator partners. We have **over 20 000 bookable objects in Croatia**. **5 Croatian speaking colleagues** are helping our partners with their daily questions and settings.

Terms and registration

The registration and presentation of your accommodation is completely free on our website. Commission invoices are issued monthly only for accomplished reservations.

Current commission rate is 14% (+VAT).

You can find our current Terms and conditions here:

Link for free registration: <https://hr.revngo.com/registracija>

Administration and settings

Easy management of rooms and reservations | Dedicated price packages | Intuitive navigation | Availability on every device | **Mobil application for quick updates**

Policies

You will be able to set your own cancelation and prepayment policies.

If a guest is a no-show, you will be able to indicate that in the administrative site, and RevNGo will not issue any invoice for that reservation.

Payments

The guest pays you directly, RevNGo.com is not involved in any payment between the owner and the guest.

Contacts

If you are interested in cooperating with us, do not hesitate to contact us, We would be happy to answer your questions and would be pleased to help you with the registration.
